

JOINT TRAIN-THE-TRAINER WORKSHOP FOR PESTICIDE SAFETY EDUCATORS IN CALIFORNIA, ARIZONA, MEXICO AND TRIBAL COMMUNITIES

Chula Vista, California

April 21-22, 2009 (Spanish)

April 23-24, 2009 (English)

Course Description: Through this workshop, attendees will become qualified pesticide safety trainers in Arizona and California, and will receive additional information about federal pesticide laws and regulations that are unique to California, Arizona, Mexico, and local Tribal Communities.

This course is ideal for growers, supervisors, labor contractors, health care providers, outreach educators, and others who will provide pesticide information to people who work with pesticides or in areas where pesticides have been applied.

Workshop Format. This two day course will be presented in Spanish (April 21-22) and English (April 23-24). Breakout sessions will cover pesticide labels, personal protective equipment, pesticide-related health issues, and training requirements. Participants will receive an instructor's handbook, EPA-approved materials, and other useful resources.

A variety of hands-on training techniques and group activities will be used throughout the courses to demonstrate ways to extend pesticide safety information to pesticide handlers and agricultural fieldworkers in an interactive and effective manner.

Registration is **FREE**; however **SPACE IS LIMITED to 40 people**. Please register early to reserve a space in the workshop and to ensure that you will receive handout materials.

Continuing Education Credit will be available for agricultural pesticide applicators in California and Arizona, pending approval by the California Department of Pesticide Regulation and the Arizona Department of Agriculture.

Please send your pre-registration form by Friday, April 17, 2009 to:
